

# Walker and Jefferson Todd of Rutherford and Cannon Co TN

## First Generation

### 1. GrandFather of Mary Todd 1762-1866 .

The identity of Mary Todd 1762-1866 of Cannon Co TN has puzzled family historians for decades. What is certain is that she was the grandmother of Walker Todd 1822-1907 whose parentage is not known with any specificity.

We also know that Walker Todd b 1822 and Jefferson Todd b 1814 were connected with each other, at least in the latter part of their lives, if not early on.

When Jefferson Todd b 1814 moved from the Fox Hollow area of Rutherford Co to Cannon Co abt 1849, he and Walker Todd b 1822 both bought land in the same area. Some of the land purchased was formerly owned by a family of Todds that settled in the Owl Creek/Carson Creek area about the same time as the Benjamin Todd b 1759 family and his nephews settled in the Big Spring area of Rutherford Co. However, the Cannon County family of Todds - Jesse b 1770-1780, James B. b 1788 NC and William T. b 1793 NC did not share the same male DNA with Walker b 1822, Jefferson b 1814 or the family of Benjamin Todd b 1759 and his family.

DNA suggested that Walker Todd b 1822 could have been a grandson of Benjamin Todd b 1759 but the county records indicated that it was not through a legitimate daughter of Benjamin b 1759; hence we postulate that Walker b 1822 might be grandson through an illegitimate daughter of Benjamin Todd b 1759 with Mary Todd 1762-1866.

Jefferson Todd was closely connected to Walker Todd based on their moving

to the same location almost at the same time and Walker being administrator of the estate of Jefferson Todd. Male DNA showed they did not share the same father and Autosomal DNA showed they probably didn't share the same mother. Hence, we postulate that the connection between them was somehow through the family of Mary Todd's birth family.

So we have created a hypothetical family structure in which Walker Todd b 1822 is the grandson of Mary Todd 1762-1866 and the great-great grandson of Mary's grandfather and Jefferson Todd 1814-1857 is a great-grandson of Mary's grandfather. This is just a research hypothesis based on the DNA results. More search is needed to prove or disprove this theory.

GrandFather had the following children:

2M      i. **Mary's Father** .

3M      ii. **Mary's uncle or aunt** .

## Second Generation

2. **Mary's Father** (GrandFather of Mary Todd).

He had the following children:

4F      i. **Mary Todd** was born in 1762. She died on 20 Nov 1866.

5      M ii. **child Jones** .

child married **Unknown** .

3. **Mary's uncle or aunt** (GrandFather of Mary Todd).

He had the following children:

6F      i. **Mary's cousin** .

## Third Generation

4. **Mary Todd** (Mary's Father, GrandFather of Mary Todd) was born in 1762 in Prob. Rowan County, North Carolina, USA. She died on 20 Nov 1866 in Cannon County, Tennessee, USA. She was buried in Burt, Cannon, Tennessee, USA.

Mary Todd was born in 1762 according to her tombstone and in North Carolina according to the 1850 and 1860 census records. Given that she was born in NC before the Todds came to NC, she was likely not born a Todd of the Benjamin Todd b 1759 family..

There are various stories of her arrival in TN - some saying she came by 1784 and others saying that she came from KY after Walker Todd was born (1822). She probably came from KY but later than the 1784 date stated in Sterling Brown's 1936 History of Woodbury and Cannon County, since most settlement in the area took place much later than 1784, mostly around 1800-1810. Another story was that she came from Kentucky in a wagon with Walker Todd b 1822. The two stories are not compatible without assuming some movement back and forth between KY and TN.

She was reported to have danced with the Indians on Carson's Fork where she later settled with her grandson Walker Todd. Her home at the time of the dancing (1784) was said to be several miles to the west which would make her home near where Benjamin Todd b 1759 and the other Todds settled about 1809. So perhaps the dancing actually took place much later than reported.

Mary Todd 1762-1866 is listed here as a wife of Benjamin Todd because Walker Todd b 1822 was Mary's grandson and because DNA of two desc of

Walker b 1822 was more closely related to two descendants of Benjamin Todd b 1759 than to other branches of the Todd family. This implies that Walker's mother was the daughter of Benjamin b 1759.

Since she was identified as the grandmother of Walker Todd and since Walker Todd's DNA doesn't match the male Todds of either of the two Todd families in the area, Mary must have had a daughter about 1794-1804 (assuming 14 to 24 for age of daughter at birth of Walker in 1822) and this daughter must have been the mother of Walker Todd b 1822. DNA for two descendants of Walker Todd b 1822 are more closely related to descendants of Benjamin Todd b 1759; hence implying that Walker Todd was a grandson of Benjamin Todd b 1769. In order for Benjamin Todd b 1759 to have fathered Walker's mother during that period, the daughter would have had to have been born in KY, possibly in Madison Co where he lived between 1797 and 1809. Benjamin was married to Margaret Barclay at the time that Mary's daughter was born. Perhaps Mary was a young widow and took the name Todd after this liaison with Benjamin.

We can not prove the birth place of Walker's mother (Mary's daughter). The 1880 census for Walker Todd says his mother was born in NC, but the 1900 census says both parents were born in TN.

Mary appears in the 1850 and 1860 census living with Walker Todd and born in NC in the 1760s.

She died in 1866 and was buried in the cemetery in Burt. Her tombstone reads: b. in 1762 and d. on 20-Nov-1866. Holy Bible is above her name on tombstone.

One curious new discovery is that a Mary Todd b 1789 married Samuel Kerr in 1812 in Rowan Co and came to Rutherford Co prior to Samuel Kerr's death in

1827, possibly by 1813. Also, this younger Mary Todd's sister Elizabeth Todd married Henry Trott in 1811 in Rowan Co and came to Rutherford Co about the same time. These two sisters had an aunt Mary Todd born late 1750s or early 1760s who was still single in 1798 when her father willed her some land. If this Mary Todd came to Rutherford Co with Mary (Todd) Kerr, then we would have a Mary Todd b 1760s in Rutherford Co. which would make her a candidate for being the grandmother of Walker Todd. DNA from the Kerr's would tell if Walker Todd was kin to these Todds.

DNA evidence from other samples taken on the various branches of the Todds is contradictory. Some shows that Jefferson Todd b 1814 and Mary's grandson Walker Todd b 1822 were distant kin, too distant for Jefferson to have been her grandson. Other DNA show a match between both Walker and Jefferson to a family that had ancestors that included the Jones' family who came from Rowan Co to Madison and then Montgomery Co and then Bath Co KY. So one interpretation of this is that Mary was a Jones and that Jefferson Todd b 1814 was a grandson of a sibling or uncle of hers and that she took in this grandson. But there are other interpretations possible.

If Elizabeth who married James Duncan was the mother of Jefferson, then Elizabeth would have been a niece or the wife of a nephew of Mary (Jones) Todd. The DNA suggests this as a possibility but we do not have enough samples to prove this. For now, we have placed Mary as the daughter of a Jones and place Jefferson Todd b 1814 as a great-grandson of Mary's grandfather.

Notes and Documentation:

We have placed Mrs. Mary Todd as the consort of Benjamin Todd b 1759 (meaning she had a daughter with Benjamin) because of DNA evidence

suggesting that Walker Todd b 1822 (Mary's grandson) was more closely related to Benjamin Todd than to any of Benjamin Todd's brothers or cousins. This would make Benjamin the grandfather of Walker Todd b 1822. However, this evidence is not conclusive; so below we list the evidence for and against each theory and suggest a way to resolve this puzzle..

There are several theories about the identity of Mrs. Mary Todd.

1. That Mrs. Mary Todd 1762-1866 was the daughter of Benjamin Todd b 1730 and hence the sister of Benjamin Todd b 1759, the Revolutionary War soldier of Rutherford Co. This is based on a statement that she was Benjamin's sister in a 1936 history of Woodbury and Cannon County based on statements made to the author of the history by Ora Todd (1898-1984), Walker's granddaughter.
2. That Mrs. Mary Todd 17622-1866 was the wife of a male Todd, but not born a Todd. This is based on the observation that the 1850 and 1860 census state that she was born in NC before the Todds came there from Pennsylvania. So she could not have been born a Todd. Since she was identified as Mary Todd, a widow, she could have been the wife of a male Todd. Her age places her either as:
  - (a) wife of an unknown son of Benjamin Todd b 1732,
  - (b) wife of an unknown son of Caleb Todd b 1730,
  - (c) a second wife or partner of Benjamin Todd 1759-1855 of Rutherford County, TN.

#### Mary Todd as sister of Benjamin

The only evidence for Mary Todd being the sister of Benjamin Todd is a statement to that effect made in the 1936 History of Cannon County and Woodbury by Sterling Brown. According to Yvonne Gamblin, a descendant of Walker Todd, this information was given to Mr. Brown by Ora Todd (1898-1984)

, a granddaughter of Walker Todd.

There are several reasons to doubt that Mary Todd was a sister to Benjamin. As Roma Todd (1918-1997) pointed out, the 1850 and 1860 census state that Mary was born in NC in the 1760s before the Todds came to NC. Hence if the census is true, then Mary could not be a Todd by birth. Secondly, DNA testing from two descendants of Benjamin Todd b 1759 reveals that Walker Todd is more closely related to Benjamin b 1759 than to other branches of the Todds. Hence this suggests that Walker was the grandson of Benjamin. This means that Mrs. Mary Todd could not have been the sister of Benjamin or at least it is highly unlikely for Benjamin to have had a child with his sister.

The DNA from two descendants of Caleb Todd b 1730 does not show Walker Todd as being equally closely related to the Caleb line as to the Benjamin line. Hence it seems doubtful that Mary was a spouse of a son of Caleb.

Further study of the ancestors of those matching the DNA of Walker Todd descendants are needed to identify possible links of those matching to the family of Mary Todd's parents.

Mrs. Mary Todd according to her tombstone was born in 1762 and died 20 November 1866 and was buried in Todd Cemetery #1 in Burt (Cannon County TN).

In 1830, there is a Mary Todd in Rutherford County census age 50-60, hence born 1770-1780 along with three young males. This has been thought to be Mrs. Mary Todd, but the age is a decade off.

In 1840, she was said to be living with Jefferson Todd, but the age is a decade off from Mrs. Mary Todd.

In 1850 she was living with Walker b 1822, and wife, Julia Ann Painter Todd, in Cannon County, TN. She was listed as Mary Todd 86 b. NC. In 1860 she was living with Walker b 1822, and wife, Elvira Haynes Todd, in Cannon County, TN.

There are traditions reported below that Mrs. Mary Todd was in the area in 1784 based on the 1936 county history. This seems highly unlikely because this was prior to substantial settlement in the area. There are also statements about her brothers being killed by Indians in TN and KY. Since she was born in NC in the 1760s according to the 1850 and 1860 census, and this was before the Todds came to NC in 1770, it seems she was not born a Todd but married a Todd and that the brothers who died were not Todds.

Bradyville is a village eleven miles southeast of Woodbury on Brawley's Fork and the area that saw the first settlers that came into Cannon County. It is presently on State Hwy 64 and thought to be named for Mr. William Brady.

According the county history, "The Sagely family was the first to arrive and soon afterwards, Mary Todd and her brothers came and settled a few miles west of the Sagelys, who were the nearest neighbors on the east. Mary Todd is interred at the Todd Cemetery on Carson Fork and her monument shows her b. in 1762 and d. on 20-Nov-1866 at the age of 104 years. Holy Bible is above her name on tombstone"

Sterling Brown's History of Woodbury and Cannon County, TN (1936) page 30-31: "soon aft the arrival of the Sagely family (1784) Mrs. Mary Todd (widow) and her bros and family came and settled a few miles west of the Sagelys, who were her nearest neighbors on the east, while her nearest neighbors on the west were two families at Double Springs near Murfreesboro in Rutherford

County. Three of Mrs. Todd's bros were killed by Indians in KY and two were killed by them at Old Fort Nash near where she lived. For seven years aft they settled, they had no bread to eat for there were no mills near to grind grist. For this very necessary article of diet, hominy and parched corn were substituted. Benjamin Todd, her bro, came later. He was a Rev War soldier, and at the time of his death, was the owner of a piece of furniture (a secretary) which was handed to other generations of the family, resting later in the possession of, the daughter of Walker Todd b1822 Mrs. Tom Patton, who lives near Bradyville. This secretary had a secret drawer within a drawer, which was not discovered until Mrs. Patton became the possessor. In it she found papers, which were issued to him showing him to be a Rev War soldier, also quite a lot of

Continental money, all of which she now has in her possession.

"Just a few incidents of the family life of these settlers. Mrs. Todd on several occasions attended Indian dances on Carson's Fork, a tributary of Brawley's Fork of Stones River on which she lived, but several miles east of her home. These dances were held just above where her gson, Walker Todd, afterwards settled and where Mrs. Todd was buried in 1866 at the age of 104 years. On the occasions of these Indian dances, Mrs. Todd was arrayed in her very best doe skin skirt and a fawn skin waist. On one occasion, a huge bear visited the home of Mrs. Todd when all the men were away and ascended to the board roof, which was weighted down with poles, and began to pry the boards apart, trying to reach down into the loft where some venison was hanging. While the bear was in the act of reaching the deer meat, Mrs. Todd seized her flint rock rifle and shot the bear, which toppled down onto the floor, furnishing more meat for the Todd family.

"These first settlers relied chiefly upon wild game, which was abundant in the country for their meat, and brought salt on horse back from KY to savor or cure it. These horses were laden with packs of salt and led through the wilderness

along Indian or buffalo trails."

History of Cannon County by Robert L. Mason (1984) stated: "another family traditionally said to have settled on the waters of Brawley's Fork in the 1780s was a widow named Mary Todd and two of her brothers." And, "the strongest factor favorable to settlement in the area of Brawley's Fork by 1784 was the building of Fort Nash on the Nickajack Trail in that year." Old Fort Nash is supposed to be where Indians killed Mary's two brothers. Old Fort Nash was in operation until around 1806. TN became a state in 1796 and before that, it was part of NC. (Ed note: Mr. Mason probably based his statements on Sterling Brown's 1936 book.)

From Cannon County Gazetteer's, Communities Past and Present: "Robinson is on Robinson Ridge in the TN Basin Divide between the Cumberland River watershed and the Duck River watershed. It is near the site of the vanished Old Fort Nash established in 1784 by NC to help protect the Cumberland settlements. There is only a cemetery there now." From R. A. Dennis' records of Cannon County, TN: "

They followed the old Nickajack Trail. Nickajack was a hair lipped Indian. He was Chief of a tribe of Indians that lived or roamed about in OH, IN, and KY. This tribe of Indians would go east once or twice every year." Sterling Brown's History of Woodbury and Cannon County, TN states that "Moon, a celebrated warrior, was killed by Cpt James McKain. Moon was the only hairlipped Indian in that whole country as far as known."

Inventory list which reads:

"Widow Todd (2) years support, 75 bushels wheat, 200 lbs sugar, 110 barrels corn, 2500 lbs pork, 10 lbs soda, 4 lbs spice, 10 lbs rice, 1 barrel salt, and whatever on hand, 10 gallons molasses, 10 lbs. Vinegar (?) 8 lbs. pepper, 2

hogs supposed to weigh 125 lbs."

Dated 26-Oct-1857 and recorded Feb/Jul 1858, B Lassiter, Clk.

The Todds of Cannon and Rutherford Counties say Mary showed up in Cannon County with gson, Walker, was in a horse drawn wagon, and came from KY. This conflicts with the county history report that she was in the area in 1784.

Mary married **Benjamin Todd II** son of Benjamin Todd I and Sarah Griffin. Benjamin was born on 17 Aug 1759 in Easton, Northampton, Pennsylvania, USA. He died on 24 Jan 1854 in Rutherford County, Tennessee, USA.

Benjamin Todd was born in Northampton County Pennsylvania near Easton and Bethlehem in 1759. He came to Rowan County as a young boy with his parents about 1770. He served in the Revolutionary War as described in his pension application below. At the end of the War, he married Margaret Barclay in Rowan Co in 1783.

He (or his father) entered 200 acres on Lick Creek on December 29, 1778 and grant a grant for it in 1786 and sold it in 1796.

Benjamin got a grant on Second Creek of the Uwaharrie River in 1792 and sold it in 1795. This was just south of where his brother Caleb Todd owned land on Tom's Creek.

In the late 1790s (abt 1797), he migrated with his siblings and his father to Madison Co KY where he lived for about 10 years. In 1806, he and his wife Margaret sold land on Drowning Creek in Madison County and then they migrated with his nephews and other kin to Rutherford Co TN settling in the Big Springs area SE of Murfreesboro.

By 1809, he was on the tax list for Rutherford Co. He obtained a 30 acre grant and then an 80 acre grant at the west end of Todd Hollow north of Big Spring. This land lay just south of the lands that his nephews Aaron and Reuben had obtained. He also obtained a 50 acre grant along Cripple Creek just north of the lands of his nephew William Todd at the east end of Todd Hollow.

He served in the War of 1812, destroying the towns of Cherokee Indians.

He died at the advanced age of 96 in 1855 in Rutherford County.

This document does not mention Lucinda Todd b 1809 who had married Abner

Summers in 1844 and Malinda Todd b 1810 who had married James Wright 1848; so it is not clear how either could be a daughter of Benjamin, given the above suit and given that Lucinda was definitely still alive. We have not found Margaret Lusk in Texas. So it is not clear if there enough girls in the 1810 census for there to be a daughter who had Jefferson Todd out-of-wedlock.

Also, Caleb Todd is not reflected in either the 1830 or the 1810 census; so we have not included him as a son of Benjamin despite Nannie Polk's reference to a Caleb Todd.

## HISTORICAL FACTS OF NORTH CAROLINA MILITIA CONCERNING BENJAMIN TODD:

I. In the summer of 1776, Griffith Rutherford, with more than two thousand NC

men, marched into Cherokee country and destroyed thirty-six of their towns and gave a crushing defeat to the Indians. Ans. Griffith Rutherford might be the Gen Rutherford that Benjamin Todd is referring to.

II. More than one thousand NC soldiers were Washington's army during the terrible winter at Valley Forge in 1777 and 1778. These troops fought bravely at Brandyvine and Germantown, suffered at Valley Forge and helped fight the British in NJ in 1778. Ans. I do not know if Benjamin Todd was among these soldiers, as we do not have his company's number nor do we know the number of the soldiers at Valley Forge.

III. The Loyalists were active at Ramsour's Mill, Elizabethtown, and many other places, where sharp fighting between Loyalists and Patriots took place. In most of these fights, the Patriots were victorious. The people of Charlotte worried the British so much that this section was called the Hornet's Nest of the Revolution. Tarleton, one of Cornwallis' ablest officers, wrote that Mecklenburg and Rowan Counties were "more hostile to England than any others in America." Ans. Benjamin Todd stated in his second tour in 1777 that he was drafted at Ramsour's Mills and was acquainted with Gen Rutherford.

IV. The Battle of King's Mountain was on Oct 7, 1780. The British and Americans met at King's Mountain, located on the border between North and South Carolina, and was the turning point of the war in the south. Gen Cornwallis attempted to protect his left flank by cleaning out the western section of NC. He sent out Maj Patrick Ferguson (Ferguson) into the western mountain country with a force of one thousand Tories. The invasion stirred up the Over-Mountain-Men of the Watauga settlements, some 900, who rallied around their leaders: Shelby, Cleveland, Sevier, McDowell, Campbell, and others, killed Ferguson, and wiped out his Army. Only some 200 men Ferguson had sent out on a foraging expedition, before the battle, managed

to stumble back to safety with Cornwallis. Ans. Benjamin Todd stated on his third tour of service, he marched British prisoners from King's Mountain and delivered them to Col Penn in Henry County, VA in 1778.

V. The Battle of Cowpens was fought on Jan 17, 1781 and has been called the most brilliant, best fought action of the war. Cornwallis was so shocked over his losses, and with lashed-out fury, turned and fled toward the Fords over the Catawba River on Jan 28, 1781. He then set out to catch militia forces led by

Greene and Morgan, before they could reach the Fords over the Dan River, leading into VA. Ans. Benjamin Todd stated on his fourth tour to service in 1778, he marched from Salisbury, NC to Benties Ford on the Catawba River, then marched down to Tool's Ford, where the Americans lost the battle. He made note he did not fight in this battle in which Gen Davidson was killed. Heathen marched back to Rowan County where he was discharged.

"Know all men by those present that I, Benjamin Todd of Rutherford County, State of TN, a Pensioner of the United States, do hereby constitute and appoint Jeremiah Doughsters my true and lawful attorney, for me and in my name, to receive from the Agent of the United States for paying pensions in Nashville, State of TN, my pension from the 4th day of Sep 1813 to the 4th day of Mar 814. Witness my hand and seal this 26th day of Mar 1814." He made his mark with the x.

One source has Date of birth as 20-Feb-1759 and Date of death as 24-Jan-1855.

Sterling Brown's History of Woodbury and Cannon County, TN page 103-104 says: "Benjamin Todd, who died on Carson's Fork of Brawley's Fork of Stones River." (It is interesting that the history records that he died on Carson's

Fork which is where Mary Todd lived whereas all his land was in Todd Hollow near Big Springs.) The history also claims that Mary Todd 1762-1866 was Benjamin's sister.

Benjamin and Mary had the following children:

7F i. **Elizabeth Todd** was born in 1792/1800.

6. **Mary's cousin** (Mary's uncle or aunt, GrandFather of Mary Todd).

She had the following children:

8M i. **Jefferson Todd** was born about 1814. He died about 1857.

## Fourth Generation

7. **Elizabeth Todd** (Mary Todd, Mary's Father, GrandFather of Mary Todd) was born in 1792/1800 in North Carolina or Kentucky, USA.

Elizabeth Todd was reported to be the mother of Walker Todd b 1822 and the daughter of Mary Todd 1762-1866. This is all we know for sure about Elizabeth.

There is a Rutherford Co deed in 1831 from Elizabeth Thompson to Elizabeth Todd, but this deed book has been destroyed. We do not know who this Elizabeth Todd was.

The father of Walker Todd is unknown as yet. Family tradition reports that Walker Todd b 1822 did not know who his father was. Yvonne Gamblin, a descendant of Walker Todd b 1822 reported in 2011 that Elizabeth Siler, 1903-1997, Walker's granddaughter, said that "when Walker b. 1822 was born. Some of the Todd's in TN didn't claim kin to each other."

Ora Todd asked family researchers to not "research our line, my great grandmother was not married". It is hoped that the DNA results from two descendants of Walker Todd will eventually match up with a descendant of Walker Todd's father or paternal grandfather.

We have no proof as yet as to Elizabeth's father; however, DNA from two descendants of Benjamin Todd suggests that Benjamin was more closely related to Walker Todd than the other branches of the family. This implies that Benjamin Todd b 1759 may have been Walker Todd's grandfather and hence

Elizabeth's father at a time when he was still married to Margaret Barclay.

According to Yvonne Gamblin, Ora was the source of the information in the 1936 History of Cannon County and Woodbury, that Benjamin Todd b 1759 was the brother of Mary Todd 1762-1866. Given Ora's desire to not reveal the full truth about the family, it is possible that Benjamin Todd was the father of Elizabeth and hence NOT the brother of Mary Todd. Also, Roma Todd (1918-1997) has pointed out if Mary was born in NC in the 1760s as the 1850 and 1860 census state, then Mary could not have been born a Todd because the Todds were still in Pennsylvania during that decade. So this would support the idea that Mary was not Benjamin's sister.

There was a tradition that Elizabeth Todd (Walker's mother) was also mother to Jefferson Todd b 1814 and Asa Todd b 1817. However, recent documentation and DNA show that Asa Todd and Jefferson Todd were not brothers to Walker Todd. The evidence for Asa's ancestry came from a settlement document of the estate of Benjamin Todd b1759 which stated that Jemima Espy Cooper was the daughter of Benjamin and the 1880 census shows that Jemima was the mother of Asa. Similarly, DNA for a Jefferson

Todd descendant shows Jefferson to not have the same father as Walker and to not be closely enough related to Walker to be his brother, but could possibly be his cousin.

A note in Roma Todd's records stated Elizabeth (Walker's mother) married a Duncan, moved from Cannon County, TN and was never heard of again. However DNA suggests that this Elizabeth Duncan was not the mother of Walker, but could possibly have been the mother of Jefferson. So there may have been two Elizabeth's - one the mother of Walker and the other the mother of Jefferson.

## Notes and Documentation:

From Yvonne Gamblin, desc of Walker Todd b 1822:

1. "When my parents visited TN away back when my Dad ask Ora Todd who Walker's b. 1822 father was and she said his parents were cousins. My Dad remembered that she said his Dad was a William Todd. He was up in years at this time and could not have remembered correctly. The family of TN also agrees that Mary Todd b. 1762 had a daughter Elizabeth is Walker's mother."
2. "Elizabeth Siler told me that it got real nasty when Walker b. 1822 was born. Some of the Todd's in TN didn't claim kin to each other."
3. "I knew Elizabeth Siler real well. I have been a guest in her home several times. She also handed down a box of family history she and her sister Jemima and another person did in Kentucky, I will have to go through it. Elizabeth Siler knew a lot more then she would tell. She is the daughter of Cora Alice (Todd) And Tom Patton a younger daughter of Walker Todd b. 1822."

Elizabeth had the following children:

9M      i. **Walker Todd Sr.** was born on 5 May 1822. He died on 28 Jul 1906.

8. **Jefferson Todd** (Mary's cousin, Mary's uncle or aunt, GrandFather of Mary Todd) was born about 1814 in TN. He died about 1857 in Cannon, Tennessee, USA.

Jefferson Todd was born in Rutherford Co TN in 1814. We assume that he was living as a young man of 21 in the Fox Hollow area of Rutherford County because in 1835 he married Mary Ann Simmons, whose father John Simmons owned land in the Fox Hollow area. In 1848, Jefferson sold the land his father-in-law had owned (presumably having inherited it through his wife). In 1848,

he also bought land on Carson's Fork in Cannon Co near where Walker Todd had bought land in 1847. Since Walker's first wife was Julia Painter whose father also lived in Fox Hollow, we assume that Walker and Jefferson may have both lived there at one point.

The close connection between Jefferson and Walker may have extended back into their childhoods. In 1850, Mary Todd 1762-1866, Walker's grandmother, was living with Walker. In 1830, there was a Mary Todd in the census in the Big Springs area, living next door to Benjamin Todd b 1785 at the western end of Todd Hollow. This Mary Todd had living with her a young woman and three young boys, two of which were the ages to be Walker Todd b 1822 and Jefferson b 1814. Though this Mary was 8 to 18 years younger than Mary Todd 1762-1866, Walker's grandmother, the census might have been off a decade. In any event, it suggests the possibility of a close connection of both Walker and Jefferson to each other and to Mary Todd. Benjamin Todd b 1785 bought land in Fox Hollow area in 1832 suggesting his movement from Todd Hollow to Fox Hollow and raising the possibility that Mary and Jefferson and Walker made the same movement.

When Jefferson moved to Carson's Fork he bought land that had once been owned by James B. Todd and/or was adjacent to land owned by James B. Todd. This James B. Todd b 1788 NC and his brothers William Thomas Todd b 1793 NC and Jesse Todd b 1770-80 did not share the same male DNA as the Todds of Big Springs and so their father was not a Todd. So this was either an unrelated Todd family or if they were related, it must have been through a female lineage and an illegitimate birth.

Jefferson appears on the 1850 Cannon County census.

He had 10 children with Mary between 1837 and 1855.

Just before he died he bought land in 1856 from A.J. McFerrin. Then he died at the young age of 43, leaving his wife with young children to care for. Walker Todd b 1822 was administrator of his estate in 1857.

We have not been able to determine Jefferson's father nor determine his connection to Walker Todd or to the two Todd families of Rutherford and Cannon Co. However, the limited data we have cited above suggests that Jefferson and Walker Todd were connected before they came to Cannon Co and possibly might have been connected through Mary Todd 1762-1866. The large genetic distance (7 generations to common ancestor) between Walker and Jefferson Todd could be interpreted as Jefferson being a grandson of one of Mary's aunts or uncles. We have placed Jefferson on the family tree as a descendant of Mary's grandfather, not because we are certain of this, but simply as a "placeholder" until further research can reveal the secret.

With respect to his father, we note that the male DNA of two of his descendants does not match Walker Todd nor either of the two Todd families in Rutherford/Cannon Co. Unfortunately, the DNA from those two descendants doesn't match each other; so we can't be sure of which is representative of his father. But the DNA from the descendant of Jefferson's son John Henry Todd b 1841 is a close match to a descendant of the McFerrin family of Cannon Co. The match is sufficiently close to suggest the McFerrin's

as a possible father to Jefferson but sufficiently distant to make that conclusive uncertain. More samples from the McFerrin's and Todd's have been recruited.

With respect to his mother, the Family Finder DNA shows that Jefferson is not a brother to Walker and not a first cousin, i.e. his grandmother was not Mary Todd 1762-1866.

We considered the possibility that Jefferson b 1814 might have been the son of Elizbeth Duncan b 1800 who lived next door to Asa Todd b 1817 and his mother Jemima Todd Espy in 1850. This was an intriguing possibility because a family tradition said that Jefferson and Walker were brothers and that Walker's mother had married a Duncan and moved away. DNA samples from two Elizabeth Duncan descendants were obtained - one suggesting that Jefferson could have been her son and the other indicating that he could not have been her son. We conclude that he was not her son. But she also showed a consistent relationship to the descendants of the various lines of Caleb Todd b1751-58, implying that she was a granddaughter of Caleb's parents, Benjamin Todd and Sarah Griffin or perhaps someone in the Griffin family.

Jefferson married **Mary Ann "Polly" Simmons** on 11 Sep 1835 in Rutherford, Tennessee, USA. Mary was born about 1817 in Rutherford, Tennessee, USA. She died about 1873 in Cannon, Tennessee, USA.

They had the following children:

10 M i. **Abner Simmons Todd** was born about 1837 in Tennessee, USA. He died in 1857/1858 in Tennessee, USA.

11 F ii. **Almerinda Melissa Todd** was born about 1838 in Tennessee, USA. Almerinda married **Avander Freeman** on 15 Jun 1856 in Cannon, Tennessee, USA.

12 M iii. **John Henry Todd** was born on 26 Feb 1841. He died on 11 Oct 1926.

13 F iv. **Sarah J. Todd** was born about 1842.

14 F v. **Malinda Elizabeth Todd** was born on 3 Mar 1845. She died about 1909.

15        F vi.**Isabella Todd**    was born about 1846.

16        F vii.**Mary Ann Todd**    was born about 1849.

17        M viii.**Hiram Todd**    was born about 1854. He died about 1883.

18        F ix.**Miriam Thankful Todd**    was born on 27 Jan 1854. She died on 17 Sep 1937 in Collin County, Texas, USA. She was buried in Westminster, Collin, Texas, USA.

Miriam married **James M. Lorance**    on 22 Feb 1872 in Cannon, Tennessee, USA. James was born on 5 Nov 1850. He died on 2 Jan 1905 in Collin

County, Texas, USA. He was buried in Westminster, Collin, Texas, USA.

19        M x.**Thomas Jefferson Todd**    was born on 26 Oct 1855. He died on 21 Feb 1935.

## Fifth Generation

9. **Walker Todd Sr.** (Elizabeth Todd, Mary Todd, Mary's Father, GrandFather of Mary Todd) was born<sup>1</sup> on 5 May 1822 in Tennessee, USA. He died on 28 Jul 1906 in Cannon, Tennessee, USA. He was buried<sup>2</sup> in Bradyville, Cannon, Tennessee, USA.

Walker Todd was born May 5, 1822 most likely in Tennessee, according to the census. His mother was said to be named Elizabeth and his father is unknown. He was raised by his grandmother, the widow Mary Todd 1762-1866. His grandmother cared for him until the role changed, then in turn, Walker cared for his grandmother.

Walker bought land in 1847 in Cannon County near what became the town of Burt and next door to Jefferson Todd who bought land there in 1848.

Walker may have lived near to Jefferson Todd in the Fox Hollow area of Rutherford County before coming to Cannon County. Walker's wife Julia Painter who he married in Rutherford County in 1849 appears to be the daughter of John Painter 1781-1851 who lived close to Jefferson Todd in the Fox Hollow area in 1840. The other evidence for Walker being closely associated with Jefferson is in the 1830 census. Family historians have asserted that the Mary Todd b 1762 (Walker's grandmother) was the Mary Todd in the 1830 census born 1770-80 with male children born 1810-15 (possibly Jefferson), 1820-25 (possibly Walker) and 1825-30 (unknown) along with a woman 1800-1810. This is definitely a possibility. If so, then the young woman in the household could have been Walker's mother or Jefferson's mother or the mother of the youngest boy.

Walker first married Julianna Painter 12 April 1849 in Rutherford County. The couple along with Mary Todd b 1764 NC. Julianna died shortly after the 1850 Census Schedule was taken. Walker married for the second time to Elvira Frances Haynes 5 March 1855.

In the year of 1863, Tennessee was drawn into the Civil War. Walker, at the age of 43, enrolled in Company A-18-Regt, Capt. M. B. Rushings Company, Tennessee Volunteers at McMinnville on January 10, 1863. He was detailed as a nurse at the hospital in Ringold, GA. Walker was also assigned for extra duties at the Ford's Hospital August 8, 1863. He served 31 days at \$.25 per day. He was paid a total of \$15.25 for his services. On January 15, 1865, Walker was admitted to the hospital for disabilities and, on April 14, 1865, was sent to C.S.A. General Hospital No 11, Charlotte, NC. At the end of the war, Walker, at age 43, was administered the Oath of Allegiance to the United States of America at Chattanooga, TN. At this time, a description of him was given as living in Cannon County Tennessee, dark complexion, grey hair, greyeyes, and 5'11" tall.

Walker returned to his home and resumed his farming operation. He and Elvira had ten children: Mary Jane, Stephen Alexander, Abner Newton, Archibald Jasper, Martha Frances, Walker Everett, Asa Benjamin, SarahElizabeth, Ivy John Creel, and Cora Alice. They also reared a granddaughter Nellie Lee Todd, the daughter of their son Walker.

In 1869, Mary Todd, widow of Granville, conveyed 65 acres to Walker Todd in Cannon County, located on Carson's Fork of Stones River, southside of Petty Gap Road on James Todd's corner. This James Todd is presumably the James B. Todd b 1788 NC who got a grant in the area in 1831. This James Todd is not from the same Todd family as Walker Todd.

Walker and Elvira continued living on the farm until their deaths. Grandmother Mary died in 1866, Elvira in 1904 and Walker died in 1906. They lie resting in the Todd Cemetery, located on the hillside of the family farm just a few yards from where their frame dwelling house stood. Their memories will long remain in the hearts of those who loved them. (story recd from Juanita Burks)

See discussions under his mother Elizabeth and grandmother Mary for possible links to Benjamin Todd b 1759, who may be his grandfather.

DNA samples done in 2011 have the potential to both determine his father and determine the parents of Mary Todd. See DNA report for details on this.

Walker married (1) **Elvira Francis 'Misa' Haynes** on 3 May 1855 in Manchester, Coffee, Tennessee, USA. Elvira was born<sup>3</sup> on 22 May 1835 in Nashville, Davidson, Tennessee, USA. Walker married (2) **Julie Ann Painters** on 12 Apr 1849. Julie was born in 1830 in Rutherford Co, TN.

Julia Painter is probably the daughter of John Painter 1781-1851 and Malinda/Milly Jacobs. John Painter was a neighbor of Jefferson Todd b 1814 in the Fox Hollow area in 1840. His two older daughters reported in the 1830 census (Tabitha b 1817 and Catherine b 1824) were out of the house and married by 1840; the 1840 census showed a daughter born 1826-1830. There are no other Painters in Rutherford Co who could have been Julia's parents.

Sydney married **Alice Unknown**.

13. **Sarah J. Todd** (Jefferson Todd, Mary's cousin, Mary's uncle or aunt, GrandFather of Mary Todd) was born about 1842 in Tennessee, USA.

Sarah married **Harvey L. Bush** on 6 Jan 1853 in Cannon, Tennessee, USA. Harvey was born on 5 Feb 1824 in Rutherford, Tennessee, USA. He died on 27 May 1890 in Dickson, Tennessee, USA.
